

City of Pleasanton

COMMENDS

Curt Altschul

This 5th Day of February, 1984.

WHEREAS, Industrial General Plan Review Committee Members have dedicated over 16,000 hours of work to produce those recommendations for Future Industrial Growth in the City of Pleasanton, and

WHEREAS, These highly motivated and devoted Committee Members exhibited that spirit of cooperation to produce the Report's recommendations despite the divergent viewpoints of its large committee.

NOW, THEREFORE, BE IT RESOLVED:

That the City Council of the City of Pleasanton most sincerely commends the Industrial General Plan Review Committee Members for their months of fact-finding missions, for their unselfish "call to the Community" to participate in this most significant project, and for enduring the process of discussing, analyzing, formulating and, finally, defining the future actions our City might take to guide industrial growth in Pleasanton.
